

## Trash Valet Cheat Sheet

### Two Bins

- Black bin for **trash + recycling**
- Green bin for **compost**
- Yes, you can use your own trash can, if you want

### Bags

- 13-gallon plastic bag for trash
- 13-gallon **clear or blue** bag for recycling
- 2.5 gallon compost bag - available in laundry rooms

### Prepping for Pickup

- Secure the top of each bag (tie in a knot or use a twist-tie)
- Put the trash and recycling bags in the black bin - you may stack them
- Put the compost bag in the green bin

### Trash do's/don'ts

- Don't include sharp items (needles, broken glass)
- Don't include liquids or hazardous waste
- Do double-bag pet waste
- Flatten all cardboard boxes and stick them behind your bin

### Pickup

- Put the bins outside your door
- Must be in place between 5pm - 7pm
- Pickup happens 7 days a week (except holidays)
- Once your trash is picked up, bring your bins back into your home
- Bins must be inside no later than 9 am
